

Committee Structure

Nuclear Power Plants
GC Nuclear Power Plants
SC Plant Engineering
WP Evidence Methods
WP Nuclear Engineering Standards
WP Protection against External Hazards
WP Electrical Engineering and I&C in Nuclear Power Plants
WP Qualification of Electrical I&C Equipment in Nuclear Power Plants
WP Reactor Core
WP PSA Co-ordinators
WP Materials and Integrity of Components
WP Non-destructive Testing
WP Ageing Management
WP Management Systems
WP Contractor Auditing
WP Nuclear Procurement
WP LOCA Qualification
TC Nuclear Power Plant Operation
WP PWR
WP BWR
WP Practical Radiation Protection
WP Nuclear Engineering Training
WP Maintenance Manager Workshop
WP Nuclear Safety Officers and Human Factors
WP Emergency Task Force Co-ordinators
TC Nuclear Fuel Cycle
WP Waste Management
WP Cask Handling and Storage
WP Safeguards
WP Decommissioning

Combustion Power Plants
GC Combustion Power Plants
TC Power Plant Concepts
TC Steam Generation Plants
WP Steam Generators
WP Fuel Technology/Firing Systems
WP Fluidised Bed Firing Systems
WP Thermal Waste Utilisation
WP Industrial and Co-generation Stations
WP Flue Gas Cleaning Technology
TC Machines
WP Steam Turbines
WP Gas Turbines
WP Cooling Systems in Power Plants
TC Electrical Engineering, I&C, and IT
WP Electrical Equipment
WP Control and Instrumentation and IT
EWG Power Plant - Grid
TC Civil Engineering
WP Stacks, Cooling Towers and other Special Constructions
WP Civil Engineering for Nuclear Power Plants
WP Geographical Data Management/Surveying
TC Materials and Quality Supervision
WP Pipe Systems, Valves and Pressure Vessels
WP Supervision of Construction and Assembly/Quality Supervision
TC Maintenance Management
TC Power Plant Operation
WP Training of Power Plant Personnel
WP Plant Management Systems
EWG Performance Indicators
WP Acceptance and Control Tests
WP Reference Designation and Plant Documentation
EWG Power Generation Maintenance Optimization Network
EWG Flue Gas Cleaning
SC Emax-Technology
EWG CCS

Renewables, Distributed Generation
SC Hydro Power
TC Hydro Power Plants
ETC Use of Renewables and Distributed Generation
EWG Wind Energy
EWG Biomass
EWG Biogas
EWG Distributed Generation

English-speaking Committees:

- SC Steering Committee
- TC Technical Committee
- ETC European Technical Committee
- EWG European Working Group

German-speaking Committees with international participation:

- GC General Committee
- TC Technical Committee
- WP Working Panel

German-speaking Committees:

- GC General Committee
- SC Special Committee
- TC Technical Committee
- WP Working Panel
- IC Integrated Committee
- ICE Integrated Committee of Experts

Environmental Technology, Chemistry, Safety and Health
GC Environmental Technology, Chemistry, Safety and Health
TC Emissions/Immissions
TC Noise Control
TC Operational Water Management
TC Power Plant By-products
TC By-products of Waste Incineration
TC Chemistry
WP Chemistry of Water Treatment
WP Chemistry of Flue Gas Cleaning Plants
WP Analytics
WP PWR Chemistry
WP BWR Chemistry
SC Health and Safety (Co-ordination)
TC Fire Protection
TC Safety & Health at Work
TC Industrial- and Environmental Medicine/ Health Management
WP Medical Scientists in Nuclear Power Plants
ETC Environment
EWG Emissions Monitoring
EWG E-PRTR
ETC Safety & Health at Work
EWG HSE for Offshore Wind Parks
ETC Chemistry

in collaboration with BDEW

IC Climate and Environmental Protection
ICE Climate Protection
ICE Immission Control
ICE Licensing
ICE Water and Soil Conservation
ICE Waste and By-products
ICE Dangerous Goods/Hazardous Materials
